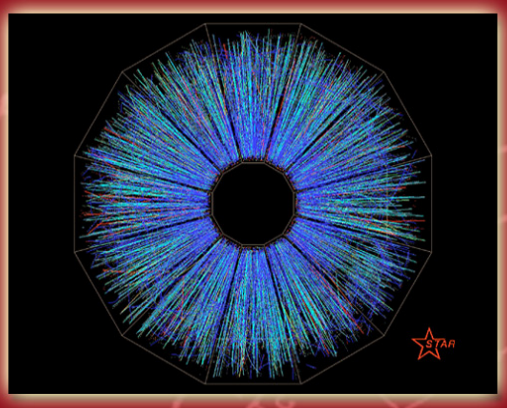
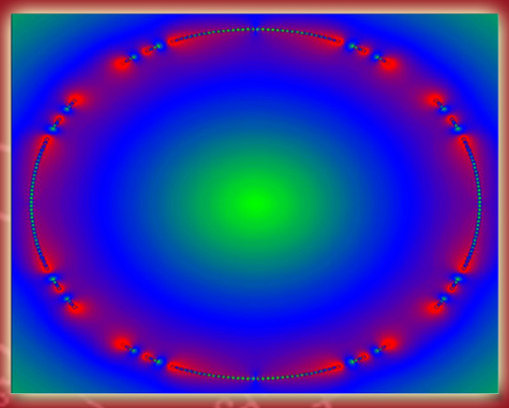
# Particle Accelerator Frontiers and New Physics Potential Workshop

*New York State Section of the American Physical Society*
*87th Semi Annual Symposium*

## October 17-18, 2003

**Brookhaven National Laboratory**
**Upton, New York 11973-5000**





**Brookhaven National Laboratory will host the 87th Topical Symposium of the New York State Section of the American Physical Society entitled "Particle Accelerator Frontiers and New Physics Potential". Experts in the field will discuss new developments in particle accelerators and their utilization for physics research. All presentations are aimed at the general interest level. In addition to invited talks, a poster session will be held during the meeting. We would like to invite all physics researchers and teachers to participate. Postdoctoral researchers, undergraduate and graduate students are strongly encouraged to attend.**

**For pre-registeration, accomodation, and additional information see www.NYSAPS2003.bnl.gov. Contact the Local Organizing Committee Chair, Dr. Zohreh Parsa, at Physics Department, Building 510A Brookhaven National Laboratory, Upton, NY 11973-5000; send e-mail to nysaps2003@bnl.gov**
